**COMPLAINT**

Plaintiff, Kristen Hall (“Plaintiff”, “Ms. Hall” or “Hall”), individually, and on behalf of all others similarly situated, and demanding a trial by jury, brings this action against Defendant, Smosh Dot Com, Inc. d/b/a Smosh (hereinafter “Smosh”), for violations of the Telephone Consumer Protection Act (TCPA), 47 U.S.C. §227 *et seq.*, and §302.101 of the Texas Business & Commerce Code. In

1 support of this Complaint, Plaintiff, individually, and on behalf of all others  
2 similarly situated asserts as follows:

3  
4  
5 **BACKGROUND:**  
6 **TELEMARKETING AND THE TCPA**

7 1. In 1991, Congress enacted the Telephone Consumer Protection Act  
8 (“TCPA”) to protect consumers’ privacy rights, namely, the right to be left alone  
9 from unwanted telemarketing calls. A leading sponsor of the TCPA described  
10 unwanted telemarketing calls as “the scourge of modern civilization.” 137 Cong.  
11 Rec. 30821 (1991).

12 2. The TCPA also affords special protections for people who registered  
13 their phone numbers on the National Do Not Call Registry and nonetheless  
14 received telemarketing calls for which they did not expressly consent..

15 3. In 2019, the FTC received over 5.4 million complaints from US  
16 residents about unwanted calls. FTC: *What Do Not Call Complaints are telling us*  
17 (Oct. 17, 2019), available at: [https://www.consumer.ftc.gov/blog/2019/10/what-](https://www.consumer.ftc.gov/blog/2019/10/what-do-not-call-complaints-are-telling-us)  
18 [do-not-call-complaints-are-telling-us](https://www.consumer.ftc.gov/blog/2019/10/what-do-not-call-complaints-are-telling-us).

19 4. The private right of enforcement of the TCPA is critical to stopping  
20 the proliferation of these unwanted telemarketing calls. For example, while the  
21 Federal Communications Commission levied over \$200 million in penalties  
22 against telemarketers between 2015 and 2018, it collected less than \$7,000 of that  
23  
24  
25

1 amount. *See* Sarah Krouse, *The FCC Has Fined Robocallers \$208 Million. It's*

5

6  
7 **DATA-MINING AND TELEMARKETING**  
8 **TOWARD MINORS AND SMOSH**

9 5. Where concerns have grown in recent years about the corporate  
10 mining of consumer data, that concern is especially heightened when it comes to  
11 the data-mining of children. *See* Stephanie Simon, *The big biz of spying on little*  
12 *kids*, POLITICO (May 15, 2014), *available at*:  
13 [https://www.politico.com/story/2014/05/data-mining-your-children-106676.](https://www.politico.com/story/2014/05/data-mining-your-children-106676) As  
14 Ms. Simon summarized: “the data revolution has also put heaps of intimate  
15 information about school children in the hands of private companies — where it is  
16 highly vulnerable to being shared, sold or mined for profit.” *Id.*  
17

18 6. On its face, Defendant “Smosh” is an online retailer geared toward  
19 teenagers that offers “sketch comedy” videos online and sells merchandise  
20 primarily to its youth customer base.  
21

22 7. Smosh also derives substantial profits from collecting, selling and  
23 transmitting consumer data; much of that data from minors under the age of 18.  
24  
25

9. Despite the fact that a minor cannot provide the “express consent” or required under the TCPA or enter into any type of business relationship, Smosh has routinely sent out solicitous text message to phone numbers provided by minors on the basis that said minor “consented” or “opted in” to receive those communications.

10. Plaintiff, Kristen Hall is a natural person and adult, who at all times relevant hereto, resided in Willis, Texas

12. Defendant is an online entertainment and merchandise company geared toward adolescents.

14. Plaintiff brings this Action in her individual capacities and on behalf of all other similarly situated seeking damages and any other available legal or

1 equitable remedies resulting from the unlawful actions of Defendant, in  
2 negligently, knowingly, and/or willfully contacting Plaintiff and other Class  
3 members on their cellular telephone in violation of the Telephone Consumer  
4 Protection Act (TCPA), 47 U.S.C. §227 et seq. and related regulations specifically  
5 the National Do-Not-Call provisions where the telephone number provided to  
6 Defendant was associated with the consumer data of a minor.  
7

8 15. Plaintiff also brings this action to protect persons located in Texas  
9 who Defendant improperly called without first obtaining the proper registration  
10 certificate to make telephone solicitations.  
11

## 12 13 **JURISDICTION AND VENUE**

14 16. This Court has original subject matter jurisdiction over this matter  
15 pursuant to 28 U.S.C. § 1331, which grants this Court original jurisdiction of all  
16 civil actions arising under the laws of the United States.  
17

18 17. Furthermore, this Court has subject matter jurisdiction pursuant to 28  
19 U.S.C. § 1332(d)(2)(A), because this case is a class action where the aggregate  
20 claims of all members of the proposed Class are in the excess of \$5,000,000.00,  
21 exclusive of interest and costs.  
22

23 18. This Court also has supplemental jurisdiction over Plaintiff's state  
24 law claims pursuant to 28 U.S.C. § 1367.  
25

1           19. This Court has personal jurisdiction over Defendant, which maintains  
2 its headquarters in the State of California.

3           20. Furthermore, Defendant's headquarters are based in Sacramento,  
4 California, which is within this District.

5           21. Accordingly, personal jurisdiction exists and this venue is proper.  
6  
7

8                           **FACTS PERTAINING TO PLAINTIFF**  
9

10           22. At all times pertinent hereto, Plaintiff Kristen Hall was the owner of  
11 a cellular phone, the number for which was 575-XXX-0669.

12           23. Ms. Hall would at times, allow her minor son to use that phone.

13           24. The aforementioned cell phone was used primarily for residential  
14 purposes.  
15

16           25. Plaintiff registered that phone number on the National Do Not Call  
17 Registry on or about November 8, 2019.

18           26. Plaintiff did so to obtain solitude from invasive and irritating  
19 solicitation calls and to protect her minor son from being inundated with  
20 advertisers and data-miners.  
21

22           27. Ms. Hall did not consent to being contacted by Defendant.  
23  
24  
25

1           28. On information and belief, on or around November 3, 2019,  
2 Defendant “Smosh” obtained the personal data of Plaintiff’s minor son, who was  
3 13 years old at the time.

4           29. That personal data obtained by Smosh identified that Plaintiff’s son  
5 was 13 years old at the time, and listed his telephone number as 575-XXX-0669.  
6

7           30. That personal data also identified that Plaintiff’s son was a resident  
8 of Texas City, Texas.

9           31. Defendant sent at least 5 text messages from the apparent phone  
10 number of (310) 299-9555 to 575-XXX-0669, soliciting Smosh merchandise. The  
11 date, time and content of those messages are set forth below:  
12

- 13           • December 25, 2019, 27:54 pm CST: “Merry Holiday  
14 to you! For all your supposed, love and memes this  
15 past year, we’re have (six) a sale to show our thanks!  
16 25% SITEWIDE...”;
- 17           • March 2, 2020, 2:48 pm CST: “OH HAPPY DAY!!!  
18 The try not to laugh shirt is back in stock. Buy one.  
19 Spit on your friends. Be merry. BUY HERE IF YA  
20 WANT...”;
- 21           • April 24, 2020, 11:37 am CST: “Hey, thanks :) Thank  
22 you so much for 7 million Subs on SMOSH PIT!! For  
23 the next 7 hours take 20% off all SMOSH Pit Merch.  
24 Thanks for bein (six) our favorite pizza place <3...”
- 25           • April 24, 2020, 11:37 am CST: Psst. We’re having a  
sale and y’all are the first to know. Take 20% off  
everything in the store using the code  
EARLYACCESS at checkout, eligible until 5/25pm  
11:59 Pacific time...”; and

- June 29, 2020, 4:02 pm CST: “Hey friends! Get our new merch for 10% off using the code GROOVY.”

(A true and correct copy of screenshots reflecting those texts is attached as Exhibit “A.”)

32. The text messages solicited business for Defendant’s merchandise store.

33. The text messages were generic, pre-scripted and clearly sent out as part of an automated text message “blast.”

34. As the subscriber and owner of that cell phone, Plaintiff found those solicitation messages to be irritating, exploitative and invasive.

35. The messages were precisely the type of communications she sought to avoid when she registered her number on the Do Not Call registry.

36. In its attempts to demonstrate that Smosh had “consent” to send the aforementioned text messages to Plaintiff, on or around September 9, 2021, Smosh’s counsel provided the data it had stored which led Smosh to send the aforementioned solicitation messages. (A true and correct copy of an email from Smosh’s counsel dated September 9, 2021 is attached as Exhibit “B”; A true and correct copy of the redacted consumer data, enlarged for the purpose of legibility, is attached as Exhibit “C.”)

37. Specifically, Smosh, through counsel, wrote “Craig: The number you provided belongs to [REDACTED] who opted into automated messages 11/3/19.” (Ex. B.)

38. However, the data provided by counsel, reflects that the party who “opted in” during November 2019 was 15 years old as of Sept. 8, 2021, and was born in 2006. (Exs. B and C.)

39. Smosh's text messages intruded upon the rights of Plaintiff and the putative class members to be free from invasion of their seclusion.

## Class Allegations

40. Pursuant to Fed. R. Civ. P. 23, Plaintiff brings this lawsuit as a class action on behalf of themselves and all others similarly situated. This action satisfies the requirements of numerosity, commonality, typicality, and adequacy of representation. commonality, typicality, and adequacy of representation.

41. Defendant lacks policies in place to assure that it has valid consent before sending messages or making calls using an automatic telephone dialing system to a cellular phone.

42. Accordingly, Defendant sent vast quantities of messages and placed a high volume of calls to cellular phones without valid consent of the called party.

1           43. Furthermore, Defendant lacks policies in place to assure it has valid  
2 consent or a pre-existing business relationship with a party of majority age before  
3 making telemarketing calls or text messages.

4           44. Defendant also lacks policies in place to assure that numbers that  
5 receive telemarketing calls were not registered on the Do Not Call Registry.  
6

7           45. Accordingly, Defendant sent vast quantities of messages and placed a  
8 high volume of calls to numbers listed on the Do Not Call Registry without  
9 consent or an existing business relationship.  
10

11           46. Finally, Defendant place calls to residents of Texas without being  
12 registered as a telephone solicitor with the Texas Secretary of State.

13           47. Plaintiff seeks to represent the following classes:  
14

15           **ATDS Class:** For the period from four years prior to the  
16 filing of this suit until the date a class is certified, all  
17 persons in the United States who: (1) subscribe to cellular  
18 telephones; (2) received one or more telephone call or text  
19 message from Smosh (or someone acting on its behalf) ; (3)  
20 where the party that purportedly “consented” to receive the  
21 call(s)/text(s) was under the age of 18 at the time the party  
22 purportedly offered that “consent”;

23           **Do Not Call Registry Class:** For the period from four  
24 years prior to the filing of this suit until the date a class is  
25 certified, all persons in the United States who: (1) subscribe  
to cellular telephones; (2) received more than one telephone  
call or text message from Smosh (or someone acting on its  
behalf) on that phone during a 12-month period; (3) whose  
phone numbers were listed on the Do Not Call Registry for  
more than 31 days at the time the calls were received; and  
(4) where the party that purportedly “consented” to receive

1 the solicitation texts was under the age of 18 at the time the  
2 party purportedly offered that “consent.”

3 **Texas Solicitation Class:** For two years prior to the filing  
4 of this suit until the date a class is certified, all residents of  
5 Texas who received a marketing call or text message from  
6 Smosh or someone acting on its behalf) and at such time  
7 Smosh had not obtained a registration certificate from the  
8 Office of the Secretary of State.

9 48. Plaintiff reserves the right to add administrative subclasses, or to  
10 amend the definition of the proposed class, during the lawsuit proceedings.

11 49. The members of the proposed classes are so numerous that joinder of  
12 all members is impracticable. Plaintiff reasonably believes that hundreds or  
13 thousands of people have been harmed by Smosh’s actions. The names and phone  
14 numbers of the members of the proposed class are readily identifiable through  
15 records available to Smosh

16 50. Most members of the proposed class have suffered damages in an  
17 amount such that it would make filing separate lawsuits by individual members  
18 economically infeasible.

19 51. Upon information and belief, Defendant has called or text messaged  
20 and continues to call and text message individuals who are registered on the  
21 National Do Not Call Registry. It is reasonable to expect that Defendant will  
22 continue to make such calls and text messages absent this lawsuit.  
23  
24  
25

1           52. Upon information and belief, Defendant has and continues to place  
2 telemarketing calls and text messages without first obtaining a registration  
3 certificate from the Office of the Secretary of State. It is reasonable to expect that  
4 Defendant will continue to make such calls or text messages absent this lawsuit.  
5

6           53. Common questions of law and fact exist as to all members of the  
7 proposed class and predominate over any questions affecting only individual  
8 members. The questions of law and fact common to the proposed class include,  
9 but are not limited to, whether Defendant called or text messaged phone numbers  
10 that were registered on the Do Not Call Registry, whether such calls violate the  
11 TCPA, whether Defendant obtained a registration certificate from the Office of  
12 the Secretary of State before placing telemarketing calls and/or text messages, and  
13 whether such calls and/or text messages violate the Texas Business and  
14 Commerce Code.  
15  
16

17           54. Plaintiff's claims are typical of the claims of the proposed class  
18 members because their claims arise from the same practice that gives rise to the  
19 claims of the members of the proposed class and is based on the same legal  
20 theories.  
21

22           55. Plaintiff and her counsel will fairly and adequately protect the  
23 interests of the members of the proposed class. Plaintiff's interests do not conflict  
24 with the interests of the proposed class she seeks to represent. Plaintiff has  
25

1 retained lawyers who are competent and experienced in class action, TCPA  
2 litigation and consumer law. Plaintiff's counsel has the resources to litigate this  
3 class action, and Plaintiff and counsel are aware of their responsibilities to the  
4 putative members of the class and will discharge those duties. Plaintiff reserve  
5 the right to join other unnamed class members into this lawsuit.  
6

7 56. A class action is superior to all individual lawsuits for this  
8 controversy. Joinder of all proposed members of the proposed class in one action  
9 is impracticable if not impossible and prosecuting hundreds or thousands of  
10 individual actions is not feasible. The size of the individual claims is likely not  
11 large enough to justify filing a separate action for each claim. For many, if not  
12 most, members of the proposed class, a class action is the only procedural  
13 mechanism that will allow recovery. Even if members of the proposed class had  
14 the resources to pursue individual litigation, that method would be unduly  
15 burdensome to the courts. Individual litigation could also result in inconsistent  
16 adjudications.  
17  
18

19 57. In contrast to numerous individual claims, a class action is superior  
20 in that it will benefit the court and litigating parties through efficiency, economy  
21 of scale and unitary adjudication resulting from supervision of the litigation by a  
22 single court.  
23  
24  
25

1           58. Questions of law and fact, particularly the propriety of calling cell  
2 phone numbers registered on the National Do Not Call Registry, placing calls to  
3 people without first obtaining a registration certificate from the Office of the  
4 Secretary of State, predominate over questions affecting only individual members.  
5

6           59. Smosh has acted or refused to act in accordance with the relief  
7 sought by these classes, so final injunctive relief or corresponding declaratory  
8 relief is appropriate with respect to the class as a whole.  
9

10  
11           **Count I - Violations of the Telephone Consumer Protection Act**  
12                       **47 U.S.C. § 227(b)**  
                              ***ATDS Claim***

13           60. Plaintiff alleges by reference the allegations of the previous  
14 paragraphs as if fully stated in this Count.  
15

16           61. The TCPA prohibits placing calls using an automatic telephone  
17 dialing system or automatically generated or prerecorded voice to a cellular  
18 telephone except where the caller has the prior express written consent of the  
19 called party to make such calls or where the call is made for emergency purposes.  
20  
21 47 U.S.C. § 227(b)(1)(A)(iii); 47 C.F.R. § 64.1200.

22           62. The term "prior express written consent" as defined by the Code of  
23 Federal Regulations means "an agreement, in writing, bearing the signature of the  
24 person called that clearly authorizes the seller to deliver or cause to be delivered  
25

1 to the person called advertisements or telemarketing messages using an automatic  
2 telephone dialing system or an artificial or prerecorded voice, and the telephone  
3 number to which the signatory authorizes such advertisements or telemarketing  
4 messages to be delivered." 47 C.F.R. § 64.1200(f)(8)(i).

5  
6 63. On information and belief, Defendant sent text message "blasts"  
7 using an automatic telephone dialing system which dials or stores phone numbers  
8 using a random or sequential number generator.

9  
10 64. By placing automated text messages to the cell phones of Plaintiff  
11 and the putative class members without first obtaining their prior express written  
12 consent, Smosh violated the TCPA, including, but not limited to 47 U.S.C. §  
13 227(b)(1).

14  
15 65. The TCPA provides for a private right of action and statutory  
16 damages of \$500 per violation, and up to \$1,500.00 if the violation is determined  
17 to be willful. 47 U.S.C. § 227(b)(3).

18  
19 66. On information and belief, Smosh placed automated text messages to  
20 the cell phones of Plaintiff and the putative class members without valid or legally  
21 recognized express written consent.

22  
23 67. On information and belief, Smosh placed similar text messages to  
24 hundreds if not thousands of wireless telephone numbers without valid consent,  
25 using an automatic telephone dialing system.

1 WHEREFORE Plaintiff Kristen Hall, individually and on behalf of all  
2 others similarly situated, request the Court grant the following relief:

- 3
- 4 a. Enter an order against Smosh, pursuant to Federal Rule  
5 of Civil Procedure 23, certifying this action as a class  
6 action and appointing Hall as the class representative;
- 7 b. Enter an order appointing Kimmel & Silverman, P.C. as  
8 class counsel;
- 9 c. Enter judgment in favor of Plaintiff and the putative class  
10 for all damages available under the TCPA, including  
11 statutory damages of \$500 per violation, or up to \$1,500  
12 per violation if Smosh willfully violated section 227(b)  
13 of the TCPA;
- 14 d. Enter judgment in favor of Plaintiff and the class  
15 members Smosh enjoining Smosh from placing calls or  
16 leaving messages utilizing an automatically generated or  
17 pre-recorded voice;
- 18 e. Award Plaintiff and the class all expenses of this action,  
19 and requiring defendant to pay the costs and expenses of  
20 class notice and claims administration;
- 21 f. Award Plaintiff and the class members all reasonable  
22 costs of prosecuting the action, including court costs and  
23 investigation costs, deposition expenses, witness fees,  
24 and attorney's fees; and
- 25 g. Award Plaintiff and the class members such further and  
other relief the Court deems just and appropriate.

21 **Count II - Violations of the Telephone Consumer Protection Act**  
22 **47 U.S.C. § 227(c)(5)**  
23 ***Do-Not-Call Claim***

24 68. Plaintiff alleges by reference the allegations of the previous  
25 paragraphs as if fully stated in this Count.

1           69. The TCPA provides that it is a violation of the law for a person  
2 whose phone number is registered on the National Do Not Call Registry to receive  
3 more than one call on their cell phone “within any 12-month period by or on  
4 behalf of the same entity.” *See* 47 U.S.C. §§ 227(c)(1), (c)(5); 47 C.F.R. §  
5 64.1200(c)(ii).  
6

7           70. The penalty for each call placed in violation of the TCPA’s  
8 restrictions on calling cell phone numbers registered on the National Do Not Call  
9 Registry is \$500 per call and up to \$1,500 per call if the violation is determined to  
10 be willful. *See* 47 U.S.C. §§ 227(c)(5).  
11

12           71. In addition, the TCPA allows the Court to enjoin Smosh’s violations  
13 of the TCPA’s regulations prohibiting calls to cell phone numbers registered on  
14 the National Do Not Call Registry. *See* 47 U.S.C. §§ 227(c)(5)(A).  
15

16           72. By sending text messages to the cell phones of Plaintiff and the  
17 putative class members after their numbers were registered on the National Do  
18 Not Call Registry, Smosh violated the TCPA, including, but not limited to, 47  
19 U.S.C. §§ 227(c)(5) and the TCPA’s corresponding regulations.  
20

21           73. Smosh knew or should have known that Plaintiff and the putative  
22 class members had their numbers registered on the Do Not Call Registry.  
23

24           74. Smosh did not obtain valid express written consent from the called  
25 parties.

75. Smosh did not have a legally recognizable existing business relationship with the called parties.

76. Plaintiff and the putative class members are entitled to damages of \$500.00 per violation for each text message sent by Smosh and up to \$1,500.00 per violation if the Court finds that Smosh willfully violated the TCPA.

## Demand for Judgment

WHEREFORE Plaintiff Kristen Hall, individually, X.X., by and through his guardian ad litem, Kristen Hall, and on behalf of all others similarly situated, requests the Court grant the following relief:

- a. Enter an order against Defendant Smosh, pursuant to Federal Rule of Civil Procedure 23 *et seq.*, certifying this action as a class action and appointing Plaintiff as the class representatives;
- b. Enter an order appointing Kimmel & Silverman as counsel for the class;
- c. Enter judgment in favor of Plaintiff and the putative class for all damages available under the TCPA, including statutory damages of \$500 per violation, or up to \$1,500 per violation if Smosh willfully violated section 227(c)(5) of the TCPA;
- d. Enter a judgment in favor of Plaintiff and the putative class that enjoins Smosh from violating the TCPA's regulations prohibiting Smosh from calling numbers registered on the National Do Not Call Registry;
- e. Award Plaintiff and the class all expenses of this action, and requiring Smosh to pay the costs and expenses of class notice and administration; and
- f. Award Plaintiff and the class such further and other relief the Court deems just and appropriate.

**Count III – Violations of § 302.101 *et seq.* of  
The Texas Business & Commercial Code  
*Texas Solicitation Claim***

77. Plaintiff alleges by reference the allegations of the previous paragraphs as if fully stated in this Count.

78. Plaintiff received text messages from Smosh on her cell phone in Texas.

79. Smosh knew that the number for the called party was associated with a Texas resident.
